18V 1/2"Sq Drive Cordless Lithium-ion Impact Wrench 300lb.ft with 1hr Mains Charger & Battery

- Produces torque in excess of 407Nm (300lb.ft) - enough to remove wheel nuts.
- Forward, reverse and trigger lock control.
- Powered by lithium-ion battery, which maintains a high energy density level with a flat discharge curve - performing better and longer than a conventional Ni-CD/Ni-MH battery.
- No memory effect allows the battery to recover from a deep discharge with no tendency to reduce overall capacity.
- **Model No. CP50COMBO1**
- List Price £282.85

Why Lithium-ion over NI-MH?

Lithium-ion polymer battery (3.7V/1200mAh) for longer life, no memory effect, a much slower discharge than typical Ni-MH batteries and can operate for up to four hours on a single charge.

50mm Water Pump 5.5hp Petrol Engine

- Economically designed petrol powered water pump with recoil starting.
- Suitable for on site applications where mains power supply is not available.

270ltr Low Noise Screw Compressor 10hp

- Maximum Free Air Delivery: 30.2cfm (860ltr/min).
- Maximum Pressure: 145psi/10bar.
- High performance, top of the range screw compressors offer high continuous output of air with low running costs.
- Compressed air 24/7 with minimal downtime.
- Very few moving parts, means servicing/ maintenance will be less frequent and less expensive compared to a piston equivalent model.
- Insulated Class F 10hp motor with IP54 protected control box which is easy to operate with digital display showing key information like air pressure, oil temperature and maintenance schedules.
- Features an insulated outer casing to minimise noise (67dB.A at 1m) and offers protection to inner components.
